### **Chat Mobility To Launch The BlackBerry® Solution**

Emerson, IA – 22 March 2010 – Chat Mobility today announced plans to launch the BlackBerry® solution to its customers this coming spring.

Chat Mobility General Manager, Bob Mauer said, “We are excited to work with RIM to provide another great product to our customers. We have spent the last 18 years bringing the best technology and coverage to Southwest and South Central Iowa. The addition of BlackBerry smartphones and services helps solidify our customer commitment and places Chat Mobility as the region's most comprehensive provider.”

Mark Guibert, Vice President of Corporate Marketing at Research In Motion added, “BlackBerry is the top selling smartphone brand in America and we look forward to introducing a range of popular BlackBerry products and services to Chat Mobility customers in the spring.”

At launch, Chat Mobility will offer BlackBerry services for both corporate customers and consumers. Several different BlackBerry smartphones will be offered; specific models along with service plans and pricing will be announced closer to availability.

About Chat Mobility: Serving south central and southwest Iowa with cellular service. All Chat Mobility plans are nationwide and include unlimited incoming minutes, unlimited nights and weekends and unlimited mobile-to-mobile.
