Chat Mobility Gives Back to Community During Holidays

Emerson, IA—December 2016— Chat Mobility has taken the opportunity this holiday season to give back to the communities they serve. They recently adopted a family during the Shenandoah "Adopt-a-Family" program and were able to provide necessities and "wish list" items for the family. The program this year will assist 67 families with a combined 167 kids.

"Chat Mobility is proud to be a part of programs that are helping to make the holidays brighter for families in our community," stated Brian Spurgeon, Chat Mobility General Manager.

The holidays and colder weather often put a strain on local food banks and Chat Mobility saw the opportunity to assist. Team members gathered non-perishable food items to be donated to Red Oak and Mills County Food Banks.
