Chat Mobility School Rebate Program Provides Over \$225,000 Since Inception

Emerson, IA—December 2016— Chat Mobility culminated another successful year of their School Rebate Program. Over \$225,000 has been donated to area schools since the program began in 2008. The School Rebate Program is offered at no charge to all Chat Mobility customers. The customer simply selects the school of their choice and Chat Mobility donates 2.5% of that customer's monthly access fee to that school.

"The School Rebate Program has been a great initiative to allow Chat Mobility and their customers to support the next generation of leaders," stated Brian Spurgeon, Chat Mobility General Manager. "School budgets are always tight and this program provides funding for special projects."
